Subject: Deschutes Watershed Group Meeting 9/20

Hi Laurie! Ex. 6 Personal Privacy (PP)

I wanted to email you before I forget, and we can chat next week.

The Deschutes Watershed Group (includes a lot of the same stakeholders as the group convened by Ecology during the TMDL process) is having a meeting next week on 9/20 and asked if I could come and talk about our disapproval action and next steps. I think this will be a good opportunity to initiate a conversation about our replacement TMDLs.

I mostly just wanted to give you a heads up that I am going. The meeting is in Olympia from 9:30-12. You are more than welcome to join me if you want, or I can always give you a summary when I get back.

Thanks!
